Including the 230mm FC Sheeting Recess Kit

Innovative Tools™ products are now officially available Australia-wide

SYDNEY | MELBOURNE | PERTH | QUEENSLAND | SOUTH AUSTRALIA

The 230mm FC Sheeting Puddle Flange Recess Kit

This industry-first tool delivers a perfectly clean recess into compressed fibre cement flooring, allowing fast, flush installation of puddle flanges—without grinding, dust, or edge damage.

Why Installers Across Australia Are Switching

Faster Installation
Cuts a 230mm hole in one go

Dustless System
No airborne silica or grinder needed

Zero Edge Blowout
Avoid costly rework

Plug-and-Go
Works with all standard drills

Engineered for Compliance
Designed to work with the 100mm flanges

Fully compliant
with AS3740:2021, AS4654.2, and NCC 2022
